

Our Disaster Relief Financing Program includes the following:

- Initial Economy Injury Disaster Loans (EIDL) Consultation Call
- Preparation of EIDL Application including collection of required documents
- Thorough Processing of EIDL application including submission of required and requested documents from the SBA
- Processing EIDL Reconsideration requests if an EIDL application was declined for any reason
- Manage all communications with SBA
- Advice and follow-through post-closing on utilization of funds, document requirements and Borrower obligations
- Researching any State or Local Grants for which your Business may be qualified and filing applications accordingly

Our flat fee is \$2,000. We continue to fight for you and your business until we secure all available funding under the disaster financing program.

We work with many businesses of all sizes. If flexible payment terms are needed, we will arrange accordingly
